

# DARK IN THE PARK

HALLOWEEN CELEBRATION

September 26, 2016

Dear Service Organizations,

The Burlington Recreation & Parks Department is offering you a unique opportunity to participate in the 7<sup>th</sup> Annual Dark in the Park Halloween Celebration. If you are interested in interacting with the local community, having fun and raising funds for your non-profit organization- this is the event for you! We invite you to host a Carnival/Interactive Game at Burlington City Park on Saturday, October 29<sup>th</sup> from 5:00-9:00pm. All organizations will surround the playground and amusement park area during our annual celebration that brings out over 2,000 community members.

Non-profit organizations will set-up various games for children to play. Other offerings may include face painting, caricature drawings, spin art or any other activity that children may enjoy. We encourage you to keep prices to play the games at .50 per play or in quarter increments. We want to make this affordable for everyone in attendance but also profitable for your organization. For the price of \$20.00, we will provide you a 10'x20' booth space and a bag of candy to hand out to the kids for Trick or Treating. Your group will be responsible for all materials, equipment (i.e. tables, chairs, tents, and any other needs that may arise), as well as inexpensive prizes or candy to give to the game winners. The registration deadline is **Wednesday, October 19<sup>th</sup>**.

If crowds are like they have been in the past, your organization will have plenty of opportunity to raise money while providing a fun and safe environment for our community. We hope you will consider being a part of this great event.

Sincerely,

Emily Lott  
Assistant Supervisor of Special Events
